## ABOUT ME

I am a final-year student at the ICT College of Vocational Studies, majoring in Internet Technologies. I am highly motivated to learn and further develop my skills through hands-on work and practical projects. I have experience in web application development using HTML, CSS, JavaScript, and PHP, along with a foundational understanding of SQL databases. Additionally, I have practical experience in Linux (Ubuntu, CentOS) and Windows system administration within VMware virtual environments and the Microsoft Azure cloud platform.

## EDUCATION

**Bachelor in Electrical and Computer Engineering**

**Department: School of Information and Communication Technologies**

*Study Program: Internet Technologies*

2020 – Present
